Dear WIC State Agency Director:

The National WIC Association (NWA) will be holding their 2023 Biennial NWA WIC Technology, Program Integrity, and Vendor Management Conference, from September 27-29, 2023, at the Hyatt Regency, Oregon Convention Center in Portland Oregon.

This meeting is an excellent opportunity for you and your staff to share and learn about current requirements as well as evolving trends in Program operations. Conference sessions typically cover the latest in Management Information Systems (MIS) and Electronic Benefits Transfer (EBT) technologies, as well as all aspects of WIC Program Integrity and Vendor Management. I hope you will consider attending this in-person conference. WIC Program funds may be used for your registration fees.

Additional information on the conference is available at:
