Dear WIC State Agency Director:

The National WIC Association (NWA) will hold its 2024 annual conference in Chicago, Illinois from April 7-10, 2024.

The NWA annual conference brings together USDA, State agencies, local agencies, industry and advocates to share the latest trends, research, and best practices in the WIC program. We encourage WIC State and local agency staff to attend to support WIC outreach, innovation, and modernization efforts. WIC Program funds may be used for your travel and registration fees.

Additional information regarding the conference and registration are available at the [National WIC Association's conference webpage](#).

If you have any questions, please contact your FNS Regional Office.

Sincerely,
