May 31, 2024

TO: WIC State Agency Directors
All State Agencies

SUBJECT: NWA Biennial Nutrition Education and Breastfeeding Conference

Dear WIC State Agency Director:

The National WIC Association (NWA) will hold its biennial Nutrition Education and Breastfeeding Conference in Baltimore, Maryland from November 19-21, 2024.

This conference convenes WIC nutrition and breastfeeding professionals and attracts attendees from USDA, State and local WIC agencies, and vendors who provide services to the WIC community. This meeting is an excellent opportunity for you and your staff to share resources and learn about current and emerging nutrition and breastfeeding science, research, policy, and best practices. There will also be over 60 exhibitors that will provide information on the latest WIC-related products, technology, and services.

I hope that you will give serious consideration to attending this conference. WIC Program funds may be used to fund your travel expenses and registration fees.

Additional information including regarding registration details is available at [National WIC Association \(nwica.org\)](https://www.nwica.org).

If you have any questions, please contact your FNS Regional Office.

Sincerely,

A handwritten signature in black ink that reads "Kristin Garcia". The signature is written in a cursive, flowing style.

Kristin Garcia, MPH
