**TO:** State Agency WIC Directors

Dear WIC State Agency Director:

The National WIC Association (NWA) will hold its biennial conference focused on technology, program integrity, and vendor management from September 17-19, 2019. This meeting takes place in Oklahoma City and is an excellent opportunity for you and your staff to learn about current Program requirements and share best practices and evolving trends in Program operations. Conference sessions will cover the latest in Management Information Systems (MIS) and Electronic Benefits Transfer (EBT) technologies, all aspects of WIC program integrity and vendor management.

I hope that you will give serious consideration to attending this important and timely conference. You may also want to consider allowing your State agency vendor manager, EBT coordinator, and other staff you deem appropriate, to attend and participate. WIC Program funds may be used to fund your travel expenses and registration fees.

Additional information regarding registration and accommodations are available at <https://www.nwica.org/events/info/2019techconf>.

We look forward to seeing you and your staff in September. If you have any questions, please contact your FNS Regional Office.

Sincerely,

SARAH WIDOR  
Director  
Supplemental Food Programs Division
