Dear WIC State Agency Director:

The National WIC Association (NWA) will be holding their 2021 Biennial NWA WIC Technology, Program Integrity, and Vendor Management Conference virtually, from October 5-7, 2021.

This meeting is an excellent opportunity for you and your staff to share and learn about current requirements as well as evolving trends in Program operations. Conference sessions typically cover the latest in Management Information Systems (MIS) and Electronic Benefits Transfer (EBT) technologies, as well as all aspects of WIC Program Integrity and Vendor Management. I hope that you will give consideration to attending this virtual conference. WIC Program funds may be used for your registration fees.
