South Carolina WIC Vendors

Subject: Vendor Monitoring

In response to the evolving situation concerning COVID-19 (Coronavirus), all vendor monitoring will cease until further notice. We ask that all vendors continue to comply with the terms in the WIC Agreement, State and Federal WIC Program Rules, Regulations and Policies.

Program rules do not allow WIC State agencies to waive federal or State agency minimum stocking requirements (MSR), even if a State agency's MSR is more extensive than the federal minimum requirements outlined at 7 CFR 246.12(g)(3)(i).

If you have any questions, please call Lorraine Glover, Vendor Manager at our toll-free number, 1-800-922-4406.

Sincerely,

A handwritten signature in black ink that reads "Berry B. Kelly".

Berry B. Kelly, Director
Bureau of Community Nutrition Services
Division of WIC Services
